### PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

### SCOPE

This policy applies to all teaching and non-teaching staff at Pleasant Street Primary School, including education support staff, casual relief teachers and visiting teachers.

### POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

### **Before and after school**

Pleasant Street Primary School's grounds are supervised by school staff from 8:40am until 3:45pm. Outside of these hours, school staff will not be available to supervise students. Pleasant Street Primary School regularly informs parents/carers of the precise times during which the school grounds will be monitored.

Parents and carers will be advised through regular reminders in our newsletter, Pleasant Link, that they should not allow their children to attend Pleasant Street Primary School outside of these hours. Families will be encouraged to contact Camp Australia via this [link](#) for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

# Pleasant Street Primary School

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

## **Yard duty**

All staff at Pleasant Street Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

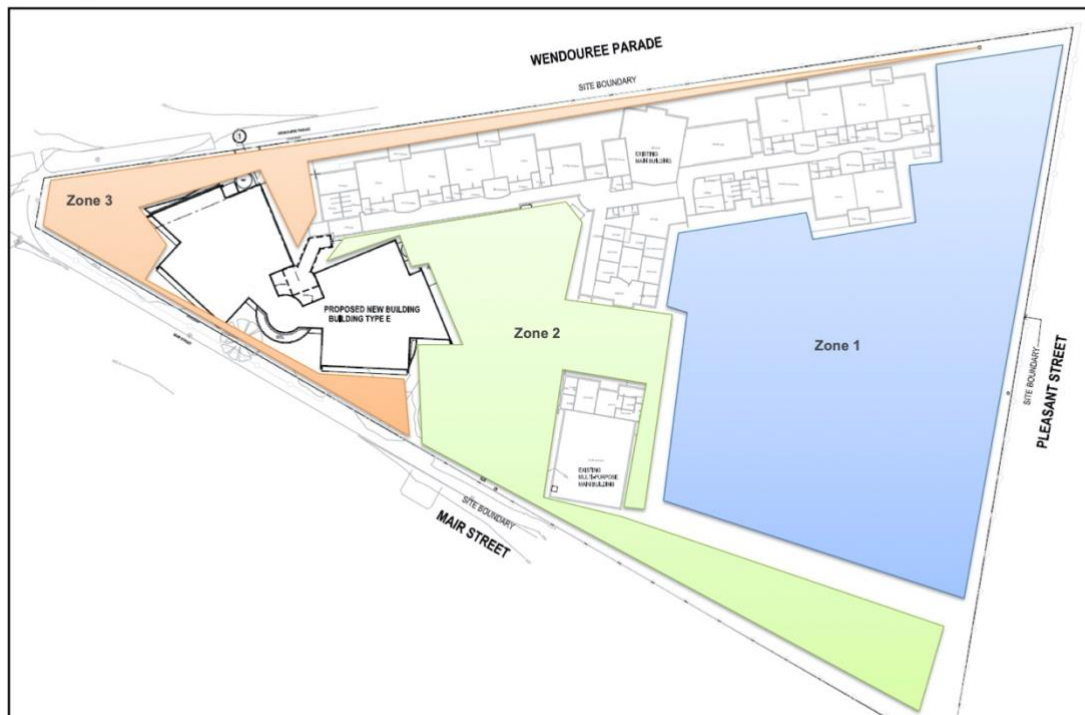

The Principal or nominee is responsible for preparing and communicating the yard duty roster on a regular basis. At Pleasant Street Primary School, school staff will be designated a specific yard duty area to supervise.

## **Yard duty zones**

The designated yard duty areas for our school as at Term 1, 2023 are:

<b>Zone</b>	<b>Area</b>
Zone 1	Oval and Stick Area Barnong Wing Toilets
Zone 2	Basketball Courts and Play Equipment Kunuwarra Toilets
Zone 3	Front of school, around to rock sandpit and Mair Street side of BER Building. Perridak Wing Toilets

## Yard Duty Zones - 2021

## Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be made available to all staff. Extra vests are stored on the hooks outside of the staff toilets.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the photocopy room. Check alert cards attached to first aid bag.
- Be familiar with the yard duty information pack containing student health and safety information is attached to the first aid bag.
- carry the yard duty book at all times and record any incidents. These are located in the photocopy room.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

## Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students

# Pleasant Street Primary School

- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should a message to the office/call Assistant Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

## **Classroom**

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the teacher next door for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

## **School activities, camps and excursions**

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

## **Digital devices and virtual classroom**

Pleasant Street Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

# Pleasant Street Primary School

Pleasant Street Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in a breakout space or in the library.

## **Students requiring additional supervision support**

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

## **Supervision of student in emergency operating environments**

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

## **Other areas requiring supervision**

- Specialist teachers collect and return students from generalist classrooms. Students move through the school in an orderly manner fully supervised by specialist teacher.
- For safety reasons students must seek permission before leaving the classroom to go to the toilet or other areas of the school.

## **COMMUNICATION**

This policy will be communicated to our school community in the following ways:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Made available in hard copy from school administration upon request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent at the beginning of each term in our school newsletter.
